

Memorial Day 2010

Dear Fellow Softballers,

On behalf of all of us at San Dieguito Youth Softball, welcome to our little spot in paradise and thank you for joining us this Memorial Day Weekend. With 10 leagues and over 60 teams across two wonderful venues, this promises to be one of our best tournaments ever and a powerful tune-up for all our All-Star teams. For those of you who are coming for the first time, we hope you have a fantastic experience so that you will be a familiar face year after year. And, for all you returning leagues, welcome back!!! For all you, make yourselves at home and enjoy a weekend of softball near the surf.

Mike Ortiz, our league Vice-President and Tournament Director, will make sure you have all the information you need for your players, coaches, and parents. We will have both sites, Cardiff Sports Park, our home fields, and Stagecoach Park, La Costa Youth Organization home fields, staffed by site directors at all times. South Coast Officials is providing our umpires for the 10U, 12U, and 14U Divisions and will have an ASA-Certified Umpire-in-Chief staffing both venues as well.

We will have schedules ready and available by May 15. We will make every attempt to accommodate special requests for Friday night games, recognizing that some of our teams are having to navigate through Friday evening's "getaway" traffic. For our local friends, we will get you in on Friday evening as best we can. The tentative schedule for game times is: Friday 5:00 pm to 9:00 pm, Saturday & Sunday 9:00 am to 9:00 pm, and Monday, 9:00 am to 6:30 pm

Your tournament information packets will be sent to you via email by May 15, but we ask that you keep checking the tournament page on our website, www.sdysoftball.com, for information and updates. If you need any information on our area, places to eat, the general direction to the beach (west...), etc., please drop a note to our tournament email, mdt@sdysoftball.com.

Our goal for this tournament is to get our girls ready for a successful All-Star Championship season, and to ensure a fun time throughout the weekend. If there is anything we can do to make it a more positive experience, please don't hesitate to reach out to the Site Director, to Mike (760.815.3616) or myself (760.579.3665). Play ball!

Sincerely,
